Hi, Betsy and Sandy:

Suzanne asked Andy and Charlie to put this Anaconda update together (see attached email from Andy). Please note that after some discussion with Charlie last week about which Anaconda OUs are ready to delete, he is considering proposing deletion of OUs 11, 9, and 12 for this fiscal year instead of 11 and 15. I can discuss it with you further tomorrow at our 10:00 a.m. meeting.

Thank you,

Joe
